Residential on 8.78 Acres

PALOLO, Honolulu, HI

Discover the potential of this exceptional 8.78 acre estate located just minutes from Kaimuki, Kahala Mall, the University of Hawaii, Waikiki Beach, and Ala Moana Center. Nestled in the peaceful upper Palolo Valley, the property offers a unique combination of approximately 3.4 acres zoned R-5 residential and 5.37 acres of preservation hillside. Currently operating as an orchid farm, the estate features two homes: a spacious 4-bedroom, 2-bath residence with a finished basement and outdoor shower, and a separate 2 bedroom, 2 bath home located across the driveway. A third structure serves as a versatile workshop with a bathroom on the ground level, and upstairs includes office space, a storage room, kitchenette, and additional bathroom. The flat portion of the land is home to multiple greenhouses, ideal for agricultural use. Waiomao Stream runs through the back of the property, creating a natural divide between the flatlands and the lush, mountainside preservation area. The orchid business is available for purchase separately, offering added value for the right investor or entrepreneur.
