Amazing Opportunity â€” Two Homes on a Large, Level Lot!

Donâ€™t miss this rare chance to own a truly versatile property with two separate homes situated on one large, level lot. Each home is separately metered, making this an exceptional opportunity for flexible living and investment options. Live in one and rent the other, rent both for solid income potential, or explore all possibilitiesâ€”the opportunities are endless.

Both dwellings have been well maintained over the years and thoughtfully updated with new windows and updated kitchens and baths, offering comfort and functionality. With just a few cosmetic touch-ups, these homes can truly shine and become a showcase property. Adding to the appeal, the property is priced under a recent appraised value, giving buyers immediate built-in equity and a smart long-term investment. Large, level lots with multiple dwellings and separate meters are extremely hard to find, making this an even more remarkable opportunity. Whether youâ€™re seeking multi-generational living, a rental income property this property delivers flexibility and value that rarely come on the market.
