HOVE, Ocean View, HI

Two consolidated acres with trees, pahoehoe lava, paid power and newly dozed house pad. Un-blockable coastline, ocean and South Point views as upper acre is elevated above surroundings. Majority of parcel is still covered with native forest but plenty of room for further development if so desired. A big part of the property is pahoehoe lava, great for kids and pets; easy to walk on compared to a'a. An exceptionally beautiful property located in lower half of the subdivision. All amenities are available in Ocean View Town Center: Groceries, gas, hardware, multiple restaurants, veterinarian and more. Great climate, many recreational opportunities...comfortable country living in Hawaii.
