Residential on 1.00 Acres

HAWAIIAN PARADISE PARK, Keaau, HI

Custom built, luxury and convenience all in one! This home has a well thought out design, open concept living, and so many conveniences and little touches that you will be sure to appreciate! Self sustainable via PV solar with TESLA battery, split AC units and well water.
This home sits on a fully (chain linked) fenced acre on a paved road near the top of Hawaiian Paradise Park subdivision. As you enter through your automatic gate, you continue on your concrete driveway till you get to your spacious 2 car enclosed garage. The front entrance is beautifully designed with a Hawaiian Rock wall, topped off with fencing and decorated with fox tail palms which also line the driveway.
From the main entrance to the home, you enter into a formal foyer. The Primary suite is to your left along with a separate office that is currently being used as a children's room. Two additional bedrooms are on the right side of the home, and are ever so spacious! Guests have a full bath in the hallway. While the two bedrooms have the option to share a Jack and Jill full bathroom with separate vanities and sinks.
The main living area is not only breath taking, but will leave you thinking "this makes so much sense." Your Kitchen is filled with beautiful ceiling height wood cabinets, and gorgeous counter tops. The Kitchen Island has a gas stovetop that faces the living area so that you can entertain while you cook. The island also has room for up to 4 placements. Enjoy all the amenities of a wine fridge, a wall oven, wall

microwave, and a large farm sink that faces out into your back yard.
Complete with split AC units in the home to keep you cool all summer long, or jump in your pool for those extra hot Summer days coming up! This home is tied into HELCO and also runs off a PV system, with a TESLA battery.
