Evers. This stunning focal point sets the tone

With vaulted ceilings floating

high overhead, the expansive open floor plan

spans over 4000 sq ft, providing a sense of

spaciousness and grandeur. Fossilized

Portuguese limestone floors grace every inch

of this home, adding a timeless allure and a

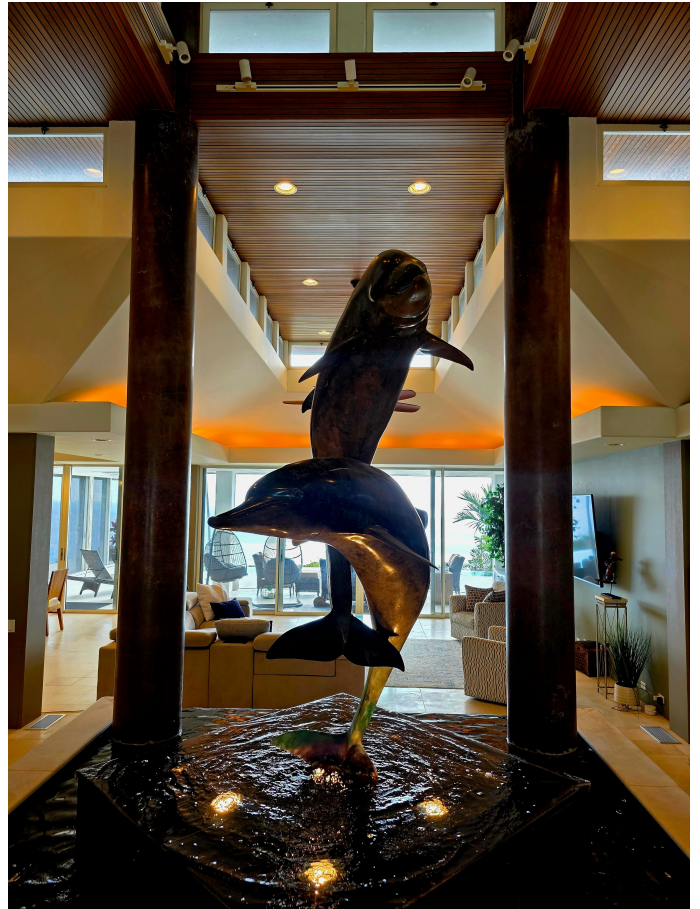

touch of natural beauty.

The heart of

the home revolves around the gourmet

kitchen, a culinary haven where no detail has

been overlooked. Adjoining the kitchen is a

cozy family room, perfect for casual gatherings and relaxed moments with loved ones.

Step outside onto the expansive lanai, where panoramic views of the surrounding landscape beckon you to unwind and indulge in the ultimate outdoor oasis.
