Nestled at the top of a knoll on an acre of land this two-story home is located in the middle of Hawaiian Paradise Park and surrounded by the privacy of old growth jungle. With three bedrooms and two bathrooms upstairs and two additional (Unpermitted) bedrooms downstairs, there is plenty of room for large and extended family or guests. Upstairs has an open floor plan with a large kitchen, living room, dining area, and connecting lanai. The kitchen features stainless steel appliances, new countertops, and plenty of cupboard space.
