Live in the home while you build your ocean front oasis.

You'll love this delightful coastal home and the sparkling ocean views that come with it! This single-level ranch-style home rests upon a beautifully landscaped parcel right across from the Pacific Blue. Beautiful ocean views, and the sound of the ocean waves lapping against the rocks to lull you to sleep each night. Talk about location! Pahoa town is just a 10-minute drive where you will find terrific restaurants and stores. The new Puna Kai Shopping center has many excellent services as well. Schools are only 15 minutes away. This easy-living, single-level residence features tasteful porcelain and granite floors, updated bathrooms, and a comfortable layout. Kitchen updated with new or near new appliances. The property is host to lady finger bananas, papayas, pineapples, coconuts, and some upcoming lilikoi and tangerines. The owners have lovingly planted various trees and plants that include the spectacular variegated agave that flourishes here. The oceanside park is directly across the street. Imagine sipping your evening cocktail or mocktail, on a beautiful starry evening, or sitting on your covered lanai watching the whales breach while the moon dances across the ripples of the ocean; take a short stroll along the gorgeous coastline. Hawaiian

Shores Recreational Estates has private water, a community swimming pool for residents of the Estates only, and tennis courts and lots of barbecue hale for your cookouts.
