OLAA RESERVATION LOTS, Mountain View,

This unique property offers just over 10 acres of fee simple land, tucked away at approximately 1,300 feet elevation for cool, comfortable temperatures year-round. Located about half a mile off Highway 11 in Mountain View, access is via Enos Road (MM 13) to Ike Onipaa Road. Conveniently close to daily essentials—short distance to a local coffee shop café, a K-12 school (MM 14), and the town of Mountain View (population under 4,000), which offers a mini-mart, gas station, restaurant, church, and post office. Hilo is also an easy drive away. The land is fenced on three sides, partly cleared and graded, with deep, fertile soil ideal for a small farm or ranch. It's a well-shaped flag lot in a peaceful, secluded countryside setting, surrounded by hundreds of acres of farms and pastureland. Recently subdivided and off the grid, the property includes road access and off-grid electric potential. A seasonal spring forms a small natural pond, adding to the charm. On clear mornings, enjoy breathtaking views of both Mauna Kea and Mauna Loa, and you can even catch a glimpse of the ocean on the horizon. At night, the starry sky lights up with the Big Dipper and Southern Cross sometimes visible. Two excellent homesite locations offer the perfect canvas for your dream homestead. This property is more than land—it's an opportunity to create your vision in a truly special setting. MLS
