MAUNA LOA ESTATES, Volcano, HI

Live completely off grid in this luxury tiny home that is just a 5-minute drive from Volcanos National Park. This unique home invites immediate occupancy and is crafted with custom features all around. Home boasts full-size appliances and artisanal monkey pod and ohia accents. Whether you prefer to unwind on the front porch or escape to the queen-size loft, this home offers a serene retreat with beautiful landscaping including several lemon trees, rainbow eucalyptis and many flowering shrubs.. Relax in the luxurious full size jetted tub equipped with a rainfall showerhead, or showcase your culinary skills in the well-appointed kitchen. A 12x8 shed stores the catchment triple filtration system & houses the Outback photovoltaic equipment with 8 batteries insuring plenty of power. Plenty of water storage with a 13,000 gallon catchment tank! There is also a back up generator just in case, however Sellers have not needed to use this in the past two years of ownership. Notably, this mobile home is on wheels offering the flexibility to relocate it!
The 12x24 deck is well constructed with black steel accents and Trex decking. Above the deck you will find a 12x12 loft that is perfect for an artist retreat or office, yoga, etc. The 8 solar panels are located on the roof of this structure and face the southern sun ensuring abundant power.
Here are just some of the luxury amenities included in this thoughtfully designed residence:
â€¢ Lutron smart home electrical system
â€¢

Samsung 5-burner propane stove and oven & vented Samsung micro hood

Samsung 36-inch cabinet-depth refrigerator

LG smart control full size washer-dryer combo

Kohler smart technology kitchen faucet

Jacuzzi jetted tub with Kohler fixtures, custom vanity with stone bowl sink.

Rinnai on demand propane hot water heater

Outdoor shower

Perfect for those who are downsizing or perhaps want a second home just minutes from Volcanos National Park and the lovely town of Volcano.
