PUNA BEACH PALISADES, Pahoa, HI

Iconic Puna Beach Palisades: Sale includes 3 parcels exquisitely landscaped for privacy, with a beautiful estate home, 2 separate Ohana units, and a large pond with Bali hut & pavilion situated adjacent to a large parcel of undeveloped land, amidst mature monkey pods, fruit trees, and manicured gardens.<br>Just 4 blocks from the ocean, the main home is 100% hand-crafted with rare and exotic woods that are impossible to find or prohibitively expensive to build with today. The home's exterior is built to last cedar wood with a Shou Sugi Ban-finished to reduce maintenance of paint, mold & wood-eating pests.<br>Entering the front foyer with Saltillo tile, the custom staircase brings you to the 2024 SF main living area and impressive great room with vaulted ceilings, blue eucalyptus floors, ohia posts and beams, redwood & teak, and hand-crafted doors and windows. Over-sized pocket sliding doors offer a 16 foot open-air gateway to the covered lanai for the indoor/outdoor living we cherish here in Hawaii. You'll enjoy gorgeous sunrises, ocean views, and starry nights, living your best Hawaii life. <br>The kitchen, with 2 islands, opens to the living areas with ocean views, and an expansive 10' bay window dining with cozy seating for 8 overlooking the monkey pod trees. <br>The primary suite features a sunset-facing bay window, 2 private lanais, and en suite bathroom with a windowed tub and separate shower. <br>Between the great room and master bedroom is an

office/nursery/3rd bedroom with a bay window, floor-to-ceiling bookcases, and a built-in koa-trimmed desk. <br>On the opposite side of the great room, a 2nd bedroom features built-in bookcases and bay windows overlooking the pond and ocean views. <br>The ground floor features a 475sf Ohana with wood floors, picture windows, & a kitchenette, ideal for guests.
