The kitchen is equipped with soft close drawers/cabinets, charcoal stainless steel appliances and an abundantly sized pantry. It overlooks the living and dining area making this the perfect space for entertaining and hosting large family/friend gatherings. A sliding glass door takes you to the generous-sized back lanai. There is an entrance into one of the three bathrooms from here which makes it convenient for your guests to use when entertaining outside. The primary bedroom suite is independent of the other bedrooms creating additional privacy and separateness. The other two bedrooms can be found on the opposite side of the home - each are sizable rooms including walk-in closets with plentiful shelving. The two bathrooms are also located here - one has access to the back lanai, the other contains the laundry room with folding table and stack-able washer/dryer. This area is separated from the living area by a

hallway lined with storage closets creating added comfort and seclusion.

The home is located on a square-shaped lot, on a paved road, tucked away from the main road and hidden by foliage. An electric gate and fully paved driveway lead to the home with a 2-car garage.
