0 Bedroom, 0.00 Bathroom,
Residential on 1.87 Acres

HAWAIIAN ACRES, Mountain View, HI

Welcome to this 'peace' of paradise that has everything you need to get away from the hustle and bustle. This property has a unique and striking solar powered 24' Geodesic Dome sitting on nearly 2 acres. The dome sits on a large, elevated deck (36'x36') that makes for incredible star gazing. The dome's interior is approximately 426sqft and includes kitchen, living room, bathroom and loft bedroom. The dome is equipped with a stylish gas fireplace for when it's cold and a solar exhaust fan for when it's hot. Geodesic domes are energy efficient and have a great ability to withstand earthquakes and hurricanes.
Towards the front of the property is a fully functional bus home, with composting toilet and shower with water via an on-demand water heater.

Powered by separate solar system, this area has a covered sitting area, laundry sink and more. There are water catchment systems in place for both the dome and the bus.
The land has been strategically cleared with gated driveway and drain rock placed. Young fruit trees have been planted and there are some beautiful bromeliads in the front of property.
Cleared drive up to the dome and continues, although overgrown, to the back of dome for the possibility of covered parking under the dome deck.
Furnishings included. All improvements on property are unpermitted. Motivated seller, bring all offers.
