HAWAIIAN SHORES SUBDIVISION, Pahoa, HI

Welcome to this beautifully renovated 3-bed, 2.5-bath home in Hawaiian Beaches! Thoughtfully updated, this home offers modern comfort, durability, and island charm.

Built with solid brick walls, it is resistant to dry rot, termites, and deterioration, ensuring a low-maintenance, long-lasting home for many years to come. Inside, you'll discover freshly painted walls, featuring custom accent murals by a local artist, bringing a unique touch of Hawaiian beauty to your living space.

Completely upgraded, the kitchen features gorgeous wood cabinets, and quartz countertops that combine utilitarian function with a luxury finish. Along with a deep stainless steel sink, a new range vent fan, and brand new appliances, this kitchen is a chef's dream!

Every detail has been considered to maximize comfort! New ceiling fans have been installed throughout, along with a new split AC unit and an innovative thermostatic heat exhaust fan that instantly removes hot air to keep the home cool. Tinted window film on the large living room windows helps regulate indoor temperatures, while plush new carpeting enhances warmth and coziness, while reducing the echoes of noises in the home.

The bathrooms have been thoughtfully remodeled, featuring a new shower, tiled shower floors, and a new toilet in the main bath. Off the third bedroom, which easily doubles as a home office, you'll find a screened-in lanai adding additional living area

and a beautiful respite location on the property.

The outdoor space has also been transformed. Rich topsoil was hauled in, the yard was landscapped featuring towering palms and native flora, and a stunning "Big Island" shaped garden was created - a breathtaking tribute to the Island of Hawaii! Surrounded by jungle, with no neighbors on either side, and fully fenced with a brand new chain link fence, this property is both private and secure.

With every aspect of this home thoughtfully updated, this home is truly special!
