Seller offering \$15k credit to buyers to use at closing!

Basking in the coastal beauty of Kaloli Point, this custom-built home is being offered for the first time! Built in 2004, the main residence features 2 bedrooms, 2 baths, and approximately 1,280 sq. ft. of living space, complemented by a partial wraparound lanai where you can enjoy peeking ocean views and the tranquil coastal breeze.

Throughout the home, youâ€™™ll find beautiful custom woodwork, including Alder cabinetry, koa accents, and birch details that add warmth and character to the space. These thoughtful touches elevate the homeâ€™™s craftsmanship, making it truly one of a kind.

Just across the street from the shoreline, this unique property also includes a detached studio with a full bath. Originally a carport, it has been repurposed for added flexibilityâ€™™ideal as a guest space, office, or rental opportunity. Outdoor living is a highlight, with a covered patio for entertaining and an additional gazebo-style patio with a wet bar, perfect for gatherings or unwinding to the soothing sounds of the man-made lily pond.

Once a meticulously landscaped tropical garden, the property is brimming with potential. With a little TLC, you can restore the former walking paths that wind through lush greenery, including limes, oranges, ulu (breadfruit), and pineapples. The landscape is adorned with orchids, Hawaiian ferns, foxtail palms, birds of paradise, ginger, and anthuriums, creating a serene and vibrant

setting.

This is a rare opportunity to own a one-of-a-kind property in a prime coastal location. Donâ€™t miss your chance to make this your perfect piece of paradise!
