Land on 20.89 Acres

KAMAILI, Pahoa, HI

Rare Opportunity to own a piece of Old Hawaii!

20.89 acre parcel which has been partially cleared with Banana groves, Mango trees, Avocados and Bamboo Groves.

Birds singing, tree branches swishing are the only sounds you'll hear as you wander this peaceful, off-grid sanctuary. If it's serenity you are seeking, this is the spot with plenty of room to make your dreams reality.

No commercial agriculture or pesticides (except Siesta for fire ant control) used on the property since 2000.

Elevation ranges between 425-650 feet and ocean views are definitely possible when developing a home site.

The area is off grid, but has phone/internet access from landline or ATT cell. There's plenty of sunshine for your solar power and rain for your water catchment.

Kamaili Rd.is a beautiful local road that intersects Hwy 130 to go to Pahoa (15-20 minutes) and Hilo beyond. Continue down the winding Kamaili Road to the Pacific Ocean and the historic settlement of Ophikao where a beautiful, rugged coastline awaits with tide pools.
