NINOLE VIEW ESTATES PH II, Ninole, HI

HAMAKUA OCEANFRONT PARCEL FOR ONLY \$499,000!! Priced to sell! Seller financing is available!

One of only two lots for sale in Ninole Sea Cliffs. All the other lots have sold and most are planning/permitting or constructing new homes in this highly sought-after community.

Flat and buildable with great access and incredible views. Hear the sound of waves every night!

Ninole Sea Cliffs, Hamakuaâ€™s newest oceanfront community. Panoramic views of the Pacific, whale-watching at its best! With its lush tropical landscape, cascading waterfalls, and near-perfect weather (temperatures average 76 to 82 degrees year-round), Ninole is one of the best-kept secrets on the Hamakua Coast. Located just north of Hakalau and south of Papaâ€™aloa along scenic Mamalahoa Highway, Ninole is a residential community with homes spread out along the coastline. An unincorporated town, Ninole does have its own zip code and boasts one of the smallest (and cutest) post offices in the country. With its relaxed lifestyle and serene surroundings, Ninole has become an ideal place to retire, with a variety of outdoor recreational activities available.
