HAWAIIAN SHORES RECREATIONAL
ESTATES, Pahoa, HI

One block up from the spectacular ocean cliffs, this .22 acre corner lot in prestigious Hawaiian Shores Recreational Estates has the rarely available potential for an ocean view. It was cleared and rough-leveled two years ago, just needs a little clean-up to be ready to build.
HSRE features all paved roads; home mail delivery; well water (via Hawaiian Beaches Water Co.); three parks—one with a pool, playground, and BBQ area.
Pahoa Village is only 10 minutes away. With some of the island's most popular restaurants, Malama grocery store, Island Naturals, Bananarama bakery, Longs (same as CVS), Ace Hardware, auto parts and repair, and lots more.. there is almost no need to drive to Hilo. When you do, it's only 30-40 minutes away.
