This classic Volcano Craftsman-style home combines nostalgic charm with modern updates, creating a vibrant estate for multi-generational living. Accessed via a covered walkway from an oversized garage, the main house features a contemporary kitchen with hardwood cabinets, Corian counters, and refinished wood floors. A cozy wood-burning fireplace is the perfect spot to enjoy a good book in the splendid Volcano rainforest. Motorized skylights and large windows enhance the bright, airy space. The primary bedroom looks into the gardens through a wall of gridded windows. A built-in headboard is a great example of the custom touches throughout. The main bath features an oversized dual-head shower, clawfoot tub, and glass block accents that flood the space with natural light. Adjacent to the main house, enjoy a spacious wood-fired sauna, outdoor fireplace, pottery studio/workshop, and outdoor kitchen, all designed to enhance your enjoyment of this picture-perfect property. The custom cabin, tucked sweetly away, enjoys its own entrance and showcases cedar inside and out. Modern utilities, a hot tub, an outdoor shower, and an open-air country kitchen finish this private retreat. Surrounded by manicured gardens and lush nature, the property is a serene escape, complete with fruit trees and the sounds of native birds. Superior craftsmanship and artistic detail ensure you will enjoy this property for years to come.
