HAWAIIAN ACRES, Mountain View, HI

Large and spacious 2- story home in Hawaiian Acres off of Uhini Ana (Road 1) situated on a 1.87 acre lot. Upstairs level has 3 bedrooms and 1.5 baths with vaulted ceilings in the living room and kitchen area. There's views of the property from front and back lanais with the best vantage point. Downstairs is a large room perfect for entertaining or converting into another family/den room with a full-bath and three smaller-sized rooms across a hallway that has outside access. Lower level also has a large food prep/wet bar area that use to be a lanai that was enclosed to have additional storage and workspace.

Front and back yard are full of flowering plants and fruit-bearing trees that you can harvest in the right seasons. Some of the plants include jabotica, calamansi, lemon, lychee, mango, lilikoi (passionfruit), coconut, banana, chayote, etc. Topography and layout allows for privacy since the house is set back from the road. Recent work done on the home, like painting of the interior/exterior, updated bathroom flooring, some fixtures replaced, etc. are improvements you can appreciate!
