WAIKOLOA VILLAGE, Waikoloa, HI

Looking for a peaceful place to call home on the sunny side of the Big Island? Unit #2802 at Makana Kai at Wehilani might be just the spot. This 2-bedroom, 2-bath downstairs corner unit is tucked away from the parking lot and backs up to a quiet gulch—so you get privacy, nice airflow, and a relaxing vibe that fits island life. It's been well cared for by the owner-occupant and would make a great starter home for a single person, couple, or small family. You'll have two assigned parking stalls, and your maintenance fees cover water, trash, and common areas—easy living all around. Living in Waikoloa means you're close to it all—grab poke from KTA, coffee from HiCO Hawaiian Coffee, or head to Anaehoʻomalū Bay (A-Bay) for sunset swims and turtle sightings. Waikoloa Village is growing fast, with a new hotel and shops popping up at Waikoloa Plaza, it's a town on the rise yet is still one of the more affordable places on the Kohala Coast, so it's a smart time to buy before prices catch up to all the new amenities. As a member of the Waikoloa Village Association, you'll also get access to discounted golf at the Village Course, plus use of the community pool and tennis/pickleball courts. If you're ready for laid-back living with room to grow, this could be the one. Come take a look—you'll see why so many are planting roots in Waikoloa.
