Land on 2.26 Acres

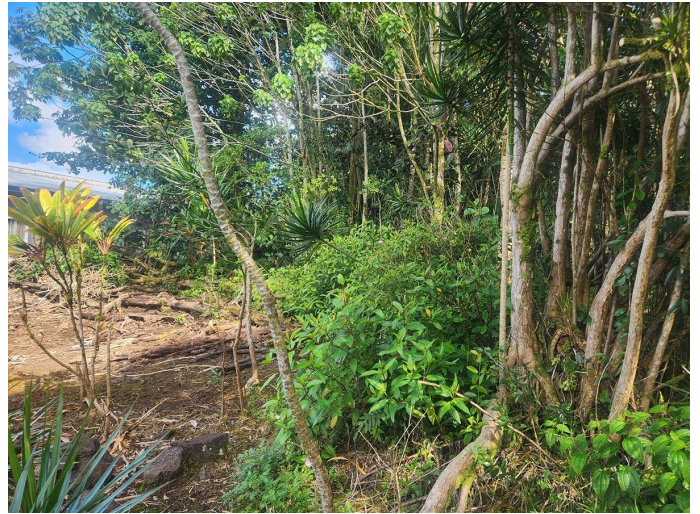

PAHOA, Pahoa, HI

Nestled in the heart of bustling Pahoa Town, this expansive 2.26-acre parcel offers a rare blend of privacy and convenience. Located just behind the medical offices at the end of a quiet, paved road, the property is accessed via a short gravel stretch—about 100 feet—that leads to a peaceful cul-de-sac with only a few nearby homes in this tucked-away neighborhood.

Enjoy unbeatable proximity to all of Pahoa's key amenities. Nearby is a swimming pool, the Billy Keno Park, the Post Office, Bay Clinic, and the Puna Kai Shopping Center. Whether you're heading to work, running errands, or meeting friends for lunch, everything you need is just steps away.

Zoned RS-15, the property offers potential for subdivision, though buyers should consult the County Planning Department to explore possibilities. With its generous size, central location, and flexible zoning, this land could be ideal for a private estate, family compound, or development of much-needed housing.

County water is available at Pahoa Village Road, with installation of a lateral required to connect. A rainwater catchment system may also be an option with a variance, and with Pahoa's abundant rainfall, this could be a practical alternative.
