BLACK SAND BEACH, Pahoa, HI

Beautiful cleared lots with full sunshine and peaceful surroundings. These two side by side lots have been fully fenced and gated with well established exotic fruit trees planted and well cared for. The owner has been using the gardens to grow vegetable and greens in the fertile above ground beds. Truckloads of mac nut soil and dirt has been added and several piles lay covered ready to use. This is the perfect opportunity to build a Homestead and to live with the Aina! Already growing in the orchard is tangelos, limes, jaboticaba, coffee, bananas, soursop, taro and turmeric. The property has a new 4,000-gallon metal water catchment tank in place to water the gardens. Includes a Honey producing bee hive which makes some of the sweetest honey around! All the groundwork has been done and is ready for your vision of the perfect Homestead in Hawaii!
