OCEANVIEW Plantation Hale #A16 is a hard-working, very busy, high-occupancy vacation rental! Being a desirable top-floor, end-unit, you have 2 additional windows that interior units don't have. This captures the tradewinds and the panoramas. You will spend a surprising amount of time on your covered lanai getting away from all the worries of the world. Relaxing. Enjoying. Reading a good book.

The one bedroom, one full bathroom, with a full kitchen opens up to a relaxing living area and dining area. With the pull-out couch, this unit sleeps 4 adults comfortably. Oceanview from the living room, dining area, and kitchen.

Sleek, custom tile work in the full bathtub. Upgraded with "Moondust" granite counters in the kitchen and bathroom, 2 flat-screen TVs, and 2 split-system air conditioners, you could totally live here forever.

Ultra-convenient location in between the lush Northshore and the sunny Southside and near Lihue. You can walk or ride a bike to almost anything you want including shopping, 15+ restaurants, and all that historic Kapaa Town has to offer. The Ke Ala Hele Makalae bike path goes for miles in either direction along the ocean from Lydgate Park to Kuna Bay.

3 pools, gas grills, hot tub, and even a shuffleboard court are available on-site for you and your guests. Vacation rental, long-term rental, snow-bird residence, or year-round home = the choice is yours!
