KUKUIULA RESIDENTIAL SUBDIVISION PH I, Koloa, HI

Designed by renowned architect Keith Kelly, this custom KukuiŌhā residence is a masterful blend of modern luxury and effortless island living. Completed in 2023, the home offers over 3,250 square feet of interior space, complemented by 1,000+ square feet of covered lanai, creating a seamless connection between indoor and outdoor living.

A dramatic 23-foot Fleetwood pocket slider in the living room seamlessly extends the space to the outdoor dining and pool areas, creating an ideal setting for entertaining or peaceful relaxation. The neutral design palette exudes warmth and sophistication, enhancing the home's natural beauty.

The main residence features two spacious primary suites, each designed with elegant bathrooms, ample closet space, and refined finishes.
