FURNISHED, BRIGHT AND AIRY, 3 BDRM / 2 BATH HOME ON PRIVATE DRIVE WITH MULTI-GENERATIONAL LIVING OPPORTUNITY IN KALAHEO!

This truly is a MUST SEE PROPERTY! Originally a Plantation home in Waimea on Kauai's west side, it was relocated to this private drive on a scenic Kalaheo hillside in 1987, forming the upper level of an immaculately kept, light, bright, and airy three-bedroom, two-bath home.

While being true to its plantation heritage, tasteful updates and touches are found throughout. The exterior of the home was freshly painted in 2023. On the main upper level of the home, the kitchen includes stainless appliances, granite countertops with counter seating, beautiful cabinetry and refreshed fixtures. A walk-in pantry off of the kitchen provides great additional storage. Picture windows and two sliding glass doors bring in plenty of natural light. The main living and dining area are warm and inviting, opening to a spacious covered front lanai that features Trex-style decking and is a great outdoor space to relax, dine and take in the distant ocean views. Two bedrooms and a Bathroom (with dual sinks and decorative mirrors w/storage) make up the rest of this level, where beautiful Bamboo flooring stands out in the living area, dining area and the bedrooms.

On the ground level, a private bedroom suite with a separate entrance offers flexibility for guests or multigenerational living. The lush green

landscape creates a beautiful and peaceful retreat.

The two-car garage is currently configured to fit one vehicle along with a separate flex space that could be used as a workshop, home gym, additional storage, etc., or re-opened to accommodate a second vehicle. The large concrete driveway offers additional parking.
