MLS® #406074

\$1,150,000

2 Bedroom, 1.00 Bathroom, 600 sqft
Residential on 2.00 Acres

N/A, Haiku, HI

Two acres of green land in the beautiful Haiku countryside. This property has many fruit trees, including mango, breadfruit, limes, and avocado, and many flowering trees. The cottage is in good condition and is bright and airy and the location of it provides privacy and space. There is a concrete area for parking and a concrete driveway. There is a level one half acre building site on which an additional home could be built. The half acre has it's own water meter and electricity to the site. This is rare to find a property with two water meters. The owners have begun the process to create a condominium of one and a half acres and one half acre. The condominium is near completion, however the owners have decided to sell the entire property now. This gives the buyers an important opportunity to keep the property as one piece and be able to build an additional home, or to complete the condominium if they wish. Property being sold as is. Listing Agent is related to the Seller.

Built in 1994
